

TWIGATRAZ

PRESENTATION: *Twigatraz is an acaricide for veterinary use as stock spray and dip for the control of ticks on cattle. Twigatraz controls ticks that are resistant to arsenic, organo-chlorines, organophosphates and carbamates. It should not be mixed with any other spray.*

GENERAL INDICATIONS: Twigatraz controls ticks that are resistant to arsenic, organo-chlorines, organophosphates and carbamates. It should not be mixed with any other dip or spray.

SPECIES: Cattle

TIMING It is important to regularly spray wash, or dip your animals at the specified times for the approved species. This product should not be used in such a manner as to directly or through drift expose workers or other persons to the spray mist.

DIRECTION FOR USE Use one part of Twigatraz to 500 parts of water for both hand and motorized spraying. Measure the total amount of water required, remove a small amount from this volume and use it to premix thoroughly. Surplus acaricide should not be used the next day. Fresh wash should be prepared daily, for both hand and mechanical spraying.

HAND SPRAYING Use 20ml of Twigatraz in 10 litres of water and mix thoroughly. If animals are to be handsprayed use 10 litres of the diluted material per animal, wetting the whole body thoroughly.

MOTORISED SPRAYING Use 1 litre of Twigatraz in 500 litres of water (1: 500) and mix thoroughly.

FREQUENCY AND APPLICATION

TICK - 1 Part in 500 parts of water (1:500) - APPLY EVERY 7 DAYS i.e. 2ml of TWIGATRAZ to 1 litre of water.

USE LIMITATIONS

DO NOT use on horses, mules or donkeys; it may cause fatal colonic impaction. May irritate the skin of some dogs.

RECOMMENDED

- Slaughter interval for meat from cattle: 4 days.
Withholding period for milk following application to dairy cows: 6hrs.

PHARMACEUTICAL PRECAUTIONS:

- (1) Harmful if swallowed. This product is a primary irritant. It is moderately toxic to man. Avoid spray mist and prolonged contact with skin.
- (2) May cause eye irritation. Do not get into eyes, on skin or clothing. Wear protective clothing consisting of tightly woven long sleeved shirt and long pants, rubber gloves, boots, hat and face shield.
